Guerrilla Directive

- A. Resolution of the Second General Cell Meeting Held on 29 December 1950.
1. In carrying out the vanguard role of the party, party cells must contribute more to prove the importance of cell members.
 2. We resolve to participate 100 percent in the training and indoctrination course. We resolve that the lectures will be so conducted that all attending the class can discuss and study the subject.
 3. In order to assist the Democratic Youth Alliance, cell committee members will hold regular classes, and each member will be responsible for the education of one non-party member.
 4. Party members in the rear areas resolve to destroy bridges and supply lines.

Comment on the Resolution

- a. No contact has been maintained with the Chinese Communists.
- b. Fighting has been carried on just for the sake of fighting, in disregard of civil operations.
- c. Although relationship with the party has been cleared, party activities have not been maintained regularly.
- d. Prospective staff members have not been trained.
- e. Members have not been sufficiently disciplined for civil operations, that is, operations among the masses.

Decisions

- a. Maintain the supervisory work of various party branches regularly.
- b. Carry out indoctrination courses and cultivate the ideology so as to convince every party member of final victory.
- c. The branch parties are to supervise and inspect the activities of the Democratic Youth Alliance.
- d. Infiltrate the enemy's rear areas and assist in military operations. Our work must be directed towards destroying the enemy and not allowing him to have any breathing space.
- e. We will unite firmly under the commander in chief, tighten our discipline, and direct non-party members more boldly.
- f. The various branch parties should organize a "liberation district" to protect the interests, life, and property of the people and organize the people living in still unliberated districts. Agitation, propaganda, and indoctrination must be carried to those living in enemy districts so as to win the support of the people.
- g. We must maintain close contact with each branch party.
- h. We must win popular support in the struggle against American imperialists and Syngman RHEE's puppets.

- B. Resolution Adopted by the General Cell Meeting of the 8 District Unit Headquarters, to implement the tasks imposed by the decision of representatives of the Chiri-san Guerrilla Party Branch of the Korean Labor Party. (8 District Unit, Hyonso Troops, 1 Corps of Chiri-san, Southern Forces, Korean Labor Party).

Resolution

This meeting has adopted the following resolution as the result of discussions based on the report made by Chairman CH'ON Tal-són (한온탈선).

1. We shall abide by the instruction issued by the higher authorities of the party, shall examine and correct our defects as soon as they are discovered, and shall organize our work so as to preserve the party tradition. These functions we swear to our cell leader CH'ON Tal-són to discharge.
2. We shall be responsible to Comrade YI No-hun (이노훈) in educating non-party members and members of the Democratic Youth Alliance.
3. Comrade NAM Ch'ol-su (남철수), a gunner, will train our members on how to handle artillery pieces. We resolve to train more than one platoon by the end of January as our successor.
4. The instructors of the indoctrination class will be responsible to Comrade CH'ON Tal-son for having all party members arrange their notebooks properly and attend more than three hours of indoctrination courses every week.
5. We resolve that all party members will review the class work and pay constant attention to self-education.
6. The members of the Democratic Youth Alliance resolve to hold their own class once a month; for this we are responsible to YI Tong-kun (이동근), chairman of the Democratic Youth Alliance.

6 January 1951

CH'ON Tal-son, East District Cell Leader

Criticism from the Party

Defects

- a. Political indoctrination work is very unsatisfactory. Excessive importance is attached to military operations in disregard of operations for the benefit of the people.
- b. Training of prospective party staff members has been neglected.
- c. Education concerning party, military, and political affairs is not satisfactory.

Present Tasks

- a. Intensification of the guidance program for party members. Tighten the regulations for party meetings.
- b. Thorough indoctrination of party members and establishment of comradeship through political and ideological instruction.
- c. The party itself should supervise and guide the Democratic Youth Alliance and extend effective assistance.
